

Choices Pregnancy Services

Sonographer

Position Description

Objectives of the Position: The sonographer provides ultrasounds under the supervision of the Medical Director.

Location: This position would be responsible for serving at all 3 locations (Coraopolis, Beaver Valley, ICU Mobile Clinic in downtown Pittsburgh) depending on client needs. It is 20-28 hours per week (Tuesday, Wednesday, Thursday).

Reports to: Center Director and Nurse Manager

Qualifications:

1. Be a committed Christian who demonstrates a personal relationship with Jesus Christ as Savior and Lord
2. Exhibit strong commitment and dedication to the pro-life position and sexual purity
3. Agree with and be willing to uphold the Statement of Faith, Statement of Principle, and the policies of the center
4. Be a licensed and certified RDMS in OB to provide limited obstetrical ultrasounds
5. Exhibit strong interpersonal and administrative skills

Essential Functions:

1. Provide ultrasounds according to medical standards of care
2. Provide patient pregnancy counseling, education, and referrals
3. Document clinical findings, observations, and medical care in patient record
4. Help with follow up calls to patients from all clinics within 24-48 hour time period and chart while on duty at Coraopolis
5. Review any clinical findings indicating concern for the viability of the pregnancy or the health of the mother with the Medical Director
6. Comply with state and professional licensing and continuing education requirements
7. Annual renewal of CPR certification
8. Annual review of center policies and procedures, infection control regulations, and safety procedures
9. Attend trainings and staff meetings on occasion at Choices Pregnancy Center in Coraopolis as necessary
